RE: Former Bird Machine Company,
Flood Release Site RTN 4-3025327 Linked to
Neponset River Site RTN 4-3023575
DCN: BM-NR-091206-AAAC

You are receiving this notice because you are on the mailing list for the Former Bird Machine Company Public Involvement Plan. Baker Process, Inc. designated this site as a Public Involvement Plan site in November 2005 in response to a petition signed by 10 residents of Walpole. A public meeting was held at Walpole Town Hall, on 4 January 2006, to present the draft Public Involvement Plan, and to provide an update on planning for remedial actions at the site. Copies of the draft Public Involvement Plan were made available at the meeting. A copy of the final Public Involvement Plan has been placed in the Former Bird Machine Company Public Involvement Plan Information Repository at the reference desk of the Walpole Public Library.

As stated in the draft and final Public Involvement Plans, notice of other plans and documents, including Massachusetts Department of Environmental Protection (MassDEP) Bureau of Waste Site Cleanup (BWSC) Forms and correspondence, will be sent to the mailing list for public review. As such, the MassDEP BWSC Form 107 linking the Flood Release RTN 4-3025327 to the Neponset River RTN 4-3023575 dated 12 September 2006 is now available for your review. Since the area of the Flood Release RTN 4-3025327 falls within the area of the Neponset River RTN 4-3023575, the BWSC Form 107 has been filed with MassDEP to simplify MCP documentation requirements. All future activities for the Flood Release RTN will be conducted under the Neponset River RTN. One copy has been placed in the Information Repository at the reference desk of Walpole Public Library.

Any questions and/or comments regarding the MassDEP BWSC Form 107 should be directed to Mr. Clayton Curtis, Senior Manager Health, Safety, & Environmental, 3900 Essex Lane, Houston, TX, 77027-5177 at (713) 439-8329.
